

## Online Readiness Assessment Tools

The following online resources will assist students in assessing their readiness for online / hybrid learning environment using a learning management system (LMS).

- [Online Learning Readiness](https://esurvey.tlt.psu.edu/Survey.aspx?s=246aa3a5c4b64bb386543eab834f8e75) (<https://esurvey.tlt.psu.edu/Survey.aspx?s=246aa3a5c4b64bb386543eab834f8e75>) : Resource from Penn State University. [Click here](http://ets.tlt.psu.edu/learningdesign/assessment/onlinecontent/online_readiness) ([http://ets.tlt.psu.edu/learningdesign/assessment/onlinecontent/online\\_readiness](http://ets.tlt.psu.edu/learningdesign/assessment/onlinecontent/online_readiness) ) to interpret your results.
- [Online Learning Readiness Assessment](http://www.royalroads.ca/assessment/) (<http://www.royalroads.ca/assessment/> ) : Once you have completed the assessment and determined your score from the scoring table at the end, you may wish to read and understand the concepts behind this assessment.
- [Student Online Readiness Tool](http://yourcalla.org/SORT/sort/html/tool.html) (<http://yourcalla.org/SORT/sort/html/tool.html>) : feedback is provided on your personal readiness profile, along with suggested strategies for success and links to more information.
